Bylaw Officer / Interdepartmental Assistant

The District has a truly unique opportunity for someone with excellent communication skills to respond to public enquiries and enforce bylaws, as well as assist various municipal departments with a range of projects that might not relate to Bylaw Enforcement (e.g. Emergency Management, FireSmart, policy development, public engagement, etc.). The successful incumbent will draw on their proven abilities to deal with the public with tact, work with animals, and keep accurate and organized records, as well as the ability to learn and thrive from new challenges outside the realm of Bylaw Enforcement. Reporting to the Director of Protective Services, the Bylaw Officer / Interdepartmental Assistant will be responsible for responding to complaints, liaising with other organizations, and working with all municipal departments.

Resumes are being accepted for a **permanent full time** union position of Bylaw Officer / Interdepartmental Assistant. This position pays \$33.76/hour, with a 5-day work week (35 hour) schedule and includes benefits as per the CUPE collective agreement.

We are looking for a customer service-oriented individual who has completed the Bylaw Enforcement Level 1 course through the Justice Institute of BC and has a minimum of two years previous work experience that includes bylaw enforcement or equivalent, and ideally with experience handling animals in an enforcement or equivalent capacity.

To be considered for this opportunity, please send your cover letter and resume (PDFs preferred) to Darren Oike at ldf.chief@lillooet.ca. Applications will be received until the position is filled. Please visit <https://lillooet.ca/jobs> to see the job description for this position.

We thank all interested individuals for their applications for this position; however, only those selected for an interview will be contacted.
