**Summer Employment Opportunities
(Internal/External Posting)**

The Parks & Recreation Department is looking forward to adding enthusiastic and community minded operators to the team for the summer of 2023.

The District of Lillooet plans to hire up to three Seasonal Facility Operators (must possess Class G driver's licence) to join the Parks & Recreation Team for up to 16 weeks starting as early as May 15, 2023, until September 1, 2023. Additional Facility Attendants (15+ years of age) may also be hired if unsuccessful at obtaining 3 Seasonal Facility Operators.

The hours of work will be 40 hours per week; including the possibility of evening and weekends. These positions fall under the Collective Agreement of the Canadian Union of Public Employees Local 173.

If you like working outside, this is the job for you. The summer seasonal Facility Operators will assist with Parks & Recreational activities including landscaping and gardening operations; lawn maintenance of green spaces, playing fields, parks, cemeteries; cleaning of washroom facilities; and sidewalk grass and weed maintenance. They will also be, in many cases, tourists' first point of contact in gaining knowledge and experiencing a positive visit to the community. Positive attitude, good communication skills, and knowledge of Lillooet's tourist attractions and interesting highlights would all be an asset to the Summer Worker's resume.

The wage range for the Operator positions is \$24.10 to \$27.92 pending qualifications; and for the Facility Attendants is \$18.47. The Application Form for these positions can be found online at [Lillooet BC - Employment Opportunities](#). Postings remain open until filled. Applicants can send their resumes and/or applications by:
