

Mission, Vision, Values & Goals

Mission

"Lillooet will provide public services that enhance our quality of life and address our community needs."

Vision

"Driven by community, inspired by nature and grounded in heritage, the District of Lillooet will be a vibrant, caring, resilient small town where people and place are respected. Building on its distinctive character, rich culture and rugged natural beauty this historic mountain community will pursue a future where equity, sustainability and community health are at the forefront of all our decisions."

Values

- Promote community engagement and participation
- Strive for fairness and act responsibly
- Be inclusive of neighbouring communities including residents of the St'át'imc Nation, SLRD and TNRD
- Deliver financially sustainable services
- Foster long-term wellbeing of the community
- Be environmentally aware and proactive to limit impact on climate change

Goals

- Support Development of Attainable Housing
- Invest in Sustainable Infrastructure
- Create a Vibrant Downtown
- Continue Building Positive Relationships with St'át'imc Communities
- Review Bylaws to Streamline Development
