This prohibition (ban) includes all open fires – **including solid fuel campfires** – which will be prohibited within the entire boundary of the District of Lillooet. This prohibition will remain in place until the **October 15, 2022, or until the order is rescinded**.

In addition to campfires, this prohibition applies to open fires of any size, industrial burning, fireworks (including firecrackers), sky lanterns, burning barrels or burn cages of any size or description, binary exploding targets, tiki torches (and similar kinds of torches), chimineas, outdoor stoves, and other portable campfire apparatus that are not CSA-approved or ULC-approved.

This prohibition does not apply to CSA-rated or ULC-rated cooking stoves that use gas, propane, or briquettes, or to a portable campfire apparatus that uses briquettes, liquid, or gaseous fuel, so long as the height of flame is less than 15 centimetres.
